The government has provided funding of £150 million to support school's PE and school sport. The funding has been given directly to primary school Head Teachers to spend on improving the quality of sport and PE for all their children. The money can only be spent on sport and PE provision in schools. At Stroud Green Primary we have invested in:

- a part time coach to enhance the P.E curriculum and to provide extra-curricular sports during lunchtime and after school. Our highly qualified coach works with each class from Reception to year 6 to deliver high quality lessons that shows progression across year groups.
- Providing extra curricular activities at lunchtime that children of all year groups are involved in. These are run by our coach. Extra equipment has been purchased to support lunchtime and after school clubs.
- training has been provided for all school staff to develop knowledge of Dance and Gymnastics
- have part funded a healthy eating and fitness workshop
- Hiring of facilities for intra school competition

We expect the impact of this to be:

- staff will be better equipped to deliver more specialised P.E. instructions
- all teachers have access to new curriculum planning

- all P.E lessons will be graded good or outstanding
- a positive approach to physical education will be encouraged in all children.
