

Dear Parents/Carers

Wow what a brilliant week we have had in school this week with lots of fun Maths activities. Thank you to all of those parents and carers who were able to come in and work with the children. I have posted some of the photographs on the school website so please take a few minutes to take a look. I have hosted them under 'Children' and 'Events' section.

This Sunday at 11am we are having a tidy up event in school when we are trying to tidy our gardens, sweep the playgrounds and get our storage shed built. Please come a long if you can spare us a few hours.

Stroud Green Clean-up Day Sunday 4th February 11am until 2pm

Come and lend us an hour to help tidy and clean up the school site!

Goodbye!

Gary our Site Manager has left the school – I am sure you will join me in wishing him luck and thanking him for all the years he has given to Stroud Green and our children.

Half Term Play Scheme

Book your place at Holiday Play Scheme by Monday 5th February 2018 – email Tara on finance@stroudgreenprimary.com to reserve your place now (Please remember we only take children if places have been booked and paid for in advance.

I would like to say a personal THANK YOU to everybody who came along and supported Maths Week to make it a big success. Your children dressed up in fabulous number costumes and created some brilliant maths games that they can play with their friends. The Happy Puzzle Company provided your children with super mind-boggling puzzles that were very challenging to solve and equally rewarding to solve! Parents were included in all the fun when they came along to play maths games with their children and it was especially exciting when they had to compete with each other to build the tallest free-standing tower made of spaghetti and marshmallows...what a blast! Bobby's mum made an impressive 49cm high tower, which stayed up long after the competition had ended. Ms Amonsingh

Internet Safety Week

Week commencing: 19th February 2018

Dear Parents/Carers

My name is Mr Chatham and here at Stroud Green I organise and lead on the teaching of Computing across the whole school. The first week back after half term will be our Internet Safety Week when we teach children all about how to stay safe online. We want to make sure if our children are going online via tablets, computers or smart phones that they do so safely. During the week we will also be offering parent workshops to support you in how you can manage the internet safely at home.

Here's the plan for the week

Monday

9.10am – Junior Assembly (*we will show the children a video about internet safety and the dangers of posting their personal information online- it would be brilliant if you ask about the assembly in the evening*)

- Launch of competition – Designing and making a Cartoon Strip about the dangers of social media or Stranger Danger online – prizes awarded on Wednesday 28th Feb.
- Internet Safety Workshops for Year Six and Year Five

5.30pm Parent Workshop for Years 5 & 6 (*Dangers of social media and Stranger Danger online*)

Tuesday

9am Parent Workshop for Years 3 & 4 (*Using the internet safely at home and Stranger Danger online*)

- Internet Safety Workshops for Year Three and Year Four
- Children will start planning internet safety movies with their teachers

Wednesday

9.10am – Infant Assembly (we will show them a video about internet safety and the dangers of strangers online - *it would be brilliant if you ask about the assembly in the evening*)

- Poster making in class ready for exhibition on Friday afternoon

Thursday

- Drama morning with children, writing scripts, practicing their movies and recording
- Internet Safety Workshops for Year Two

Friday

- Drama morning with children, writing scripts, practicing their movies and recording
- 2.30pm until 4pm Poster Exhibition in the Lower Hall (*Children will be exhibiting their internet safety posters for parents to see*)

3.30pm Parent Workshop for Years 1 & 2 (*Using the internet safely at home and Stranger Danger online*)
