

Stroud Green News

Dear Parent/Carers,

I hope you all had a good week. Please see below the menu for the Christmas Day Dinner which will be on the 13th December. If you are coming to join us, please return your reply slip by the 4th December. Also, next week don't forget the Year 5 cake sale.

Have a good week!

Cal Shaw Head Teacher

Year 5 Cake Sale

Monday 13th November at 3.30pm in the Junior Playground.

Donations for the sale very gratefully received. On Monday donations can be given to year five teachers or left at reception in the morning or bought along to the sale in the afternoon. All money raised will go directly to year 5 for learning enrichment.

I would like to come along for lunch with my child..... of Class and enclose my £3.00 for this meal.

Standard turkey meal: Y/N

Vegetarian meal: Y/N

Ms Amonsingh's November Maths challenge

Times tables in real life

A fun Maths Challenge for EYFS and Key Stage 1. Your challenge is to take photos, make / build things or draw pictures that show times tables in real life. Don't forget to write the multiplication (and answer) next to each one! Who can be the most creative? Hand your work into your teacher or Ms Amonsingh for it to be judged so the best ones can be put on display for everyone to see. Good luck!

Closing date: Friday 24th November 2017

$$3 \times 2 = 6$$

$$4 \times 7 = 28$$

Maths in a story

It's time for an extra challenge in maths everyone! I'm challenging you to find an example of Maths in a story (KS1), or write your own short story which includes some maths words (KS2).

There are lots of maths stories on the internet or in the library, or why not make up one of your own. Your own story can be about anything you like...so long as it includes some mathematical language!

Hand your work into your teacher, or Ms Amonsingh, for it to be judged and put on display for everyone to enjoy!

The closing date is Friday 24th November 2017.
