

Dear Parents / Carers,

Thank you so much to all those parents who were able to come and see me yesterday to give me some feedback on all the changes that have taken place over the last few months. I was glad to be able to share our plans for the future and get some more ideas about your priorities – I found the meeting really useful.

On the back of this newsletter I have provided a copy of the revised Autumn term school dinner menus.

Please remember that next Wednesday 18th and Thursday 19th is Parents Evening – it's really really important that we see you and your children at that meeting so we can set targets with you and your child and focus on their learning.

Cal Shaw (Head Teacher)

With the cold weather approaching please make sure your children are wrapped up warm and dressed appropriately for weather.
(waterproofs/warm jackets)!

BIG THANKS

Catherine West MP came and spoke with our Year 6 children about how Government works – our children asked some brilliant questions.

Poetry Recital

On Thursday 12th October, 10 children from years 3 and 4 took part in Haringey's inter-school poetry event, organised by English leads across the borough. Children had been practicing poems by Valerie Bloom and Bruce Lansky, in preparation for the event being hosted by local poet Paul Lyalls at Greig City Academy. Miss White commended the children that took part. "They all delivered confident performances, they were amazing" Well done to: Jayden, Rayne, Laura, Isabellla, Nathaniel and Rosa from year 3. Sita-Ellen, Sami, Yann and Isaiah from year 4.

International Evening What a brilliant success!

Thank you to all those parents, children and staff who came to our International Evening last night – it was such a fantastic night filled with children singing and dancing. Lots of chatting and catching up. At Stroud Green we represent over 25 different ethnic groups and across our community we can speak almost 40 different community languages – something worth celebrating!

"Crate Fun"

Our Infants have had a brilliant week playing with the crates – they will move into the Junior playground next week!

No Pencil Cases Please!

Children are provided with all the equipment to help them with their learning.
