(2.18) 9th March 2018

Dear Parents/Carers,

I firstly wanted to thank you all so much for your amazing patience with us last week when we were forced to close because of our ongoing heating issues. The extreme cold last week on Thursday and Friday was just too much for our heating and I guess many children told you how cold we were in school. What a difference a week makes! As I write this newsletter the sun is shining and it's starting to feel like Spring - Thank Goodness.

This week has not been without its challenges as we have struggled with low water pressure (as I know many of our parents who live locally have) hopefully the problem is now resolved. Regardless of my tricky week the children have again had a brilliant week – I have seen some amazing Gruffalo hunting in Reception, some very tricky long multiplication in Year 4 and some brilliant creative writing in Year 6. The children at Stroud Green amaze me every day with their great work – well done everyone.

Violin/Cello Lessons – spaces available

We have a new music teacher (Ellen Casey), who will be teaching violin and cello. Some children at Stroud Green have been on the waiting list for a while, and will be starting with her in the next week or so. Ellen has space to take on more pupils, so If you are interested in your child learning to play either instrument, then apply online (see below) or get a form from the school office.

You can hire a violin for £20 per term (£10 if on income support) or £22 for a cello (£11).

Website & Communication

Our website is now completely up to date and this is the easiest way to keep yourself informed with what's going on in school. I have listed all the school trips, assemblies and meetings that we have planned so far this year in our calendar, I have also posted all the curriculum information on the class pages.

We also send very regular text reminders (if you've not been getting these then we probably don't have your correct mobile number so pop and see Sharon in the main office to update your details).

Contacting Teachers

All teachers have had email address for some time now, if you want to email them to make an enquiry or to arrange a time to chat about your child's learning this can all be done via their email addresses (Please note that teachers teach all day and it may take them three/four days to respond – so don't email anything urgent).

Email addresses are simple; use the class name followed by @stroudgreenprimary.com

POLITE REMINDER TO ALL PARENTS

Our staff should be able to come to work without the fear of being abused, shouted at or belittled. All the staff at Stroud Green work exceptionally hard for your children and deserve to be treated with respect. We are of course humans and sometimes get things wrong, nevertheless we all want the very best for your children and should be working as a team.

I simply will not tolerate parents being rude to my staff, adult behavior on school premises should always shine through as a good role model for our children to follow.

Thank you.

Parents Evening

Parents evening will be taking place on Wednesday 21st March and Thursday 22nd March at 3.40pm – 6.30pm.
