Dear Parents/Carers,

Thank you to all those parents that came to parents evening this week I am delighted to report that we had 80% attendance. If you were unable to come and see your child's class teacher please do email them or talk to them in the playground to arrange an appointment before the Easter break.

It would be really helpful if you could give us some feedback on how you found the annual report format. We want the information on your child's learning to be really useful and provide you with sufficient information so you can support your child at home. One more week of learning until our Easter Holidays – remember we break up on Thursday 29th March at the normal time (Friday 30th is a bank holiday).

Changes & Developments in Music & Art provision at Stroud Green

Mollie, our music and art teacher, is leaving us at the end of term to pursue an exciting teaching opportunity in another school. I would like to thank Mollie for her years of hard work and dedication, she will be greatly missed. We have been incredibly lucky at Stroud Green to be able to have a specialist art and music teacher, and we remain absolutely committed to providing the children with as many opportunities as possible to learn and develop their artistic and musical talents.

The Governing Body and leadership team are totally committed to the promotion of a wider school curriculum which draws art and music into the everyday teaching of children. We are in the process of developing our new and exciting curriculum to be launched in September 2018 which will see music, art, drama, humanities, and science being interwoven into our teaching every day.

We are also exploring the use of visiting artists and musicians who will come in to run specialist projects for children liked to their topic and wider learning. We have some real opportunities now to draw the arts closer into our curriculum and develop the skills of our wider teaching team. The Stroud Green School Choir will still continue under the leadership of Ms Leslie. If you have any queries, please do not hesitate to contact a member of the Senior Leadership Team.

Friends Social Events

Massive thanks to the Friends for organizing the Bing & Curry Night last week! It was brilliant fun. The event was a fund raiser to raise £500 to buy a skipping workshop for the whole school - they managed to raise £510!!!

After Easter we will all be learning to skip.

Good News on Progress

You will know that we have recently had a formal assessment week. Whilst we need to do some more work on how we make these weeks less test based, I am delighted that the information we gleaned supported our teacher's daily assessments. Children at Stroud Green are making brilliant progress in all areas of their learning. Our records show us that particularly in Reading and Writing children have made some fantastic progress since the start of the year.

I wanted to tell you how brilliantly your children are doing in school and what good progress they are making in our lessons. Thank you for your continued support – it's a great team effort!
