

Treasurer's Report Friends of Stroud Green School 2017

Summary

We started 2018 with £19411.30 in the bank. We now have a strong balance of £25912.33 through the help of our parents/carers and with the focus of improving our playgrounds.

Income

Events

All of our usual events were successful again last year. The Summer Fair raised a massive £3997.69, the Winter Fair raised £1191.41.

Donations

We have received some very welcome donations this year totaling £6926.49 from parent/carers, community matters, company match contributions and our very successful just giving page. Christopher Charles first year supporting our school by donating a sum of £1250 and providing help at the summer fair.

Easy Fundraising

As a member of the moneyback website www.easyfundraising.org.uk.

Please put it into your Favorites and remember to use it when shopping on-line.

Charity Number **1112224**

All cake sale money is to be spent on resources for classes this year. Any money that is not spent by May 2018 will go towards the Friends next project for the whole school.

Money raised is for resourced in your current year group and cannot be used to buy end of year gifts/food/drinks or go towards end of year trips.

Spending

We allocate £400 per year group, to spend on school trips and other enrichment activities and spent £300 so far as these will be requested by end June 2018.

Friends have spent on the playground £2088.90 – this was for the hedgerow plants for both playgrounds, crates and the new playground equipment such as balancing poles, tiny tyres, hoops, bean bags, ankle skips and the skipping workshops for the whole school.

We have allocated £18000 for Phase 1 of the playground transformation, thank you Netty who is part of the PTA and Friends. She has been in many meetings and as you can appreciate this is something the school and Friends do not want to rush as we want to get it right first time and want to use the space we have effectively. We are on the last stage now and waiting for one last meeting for the go ahead. Thank you for everyone's patience with this exciting project.

The Happy Puzzle Company – Friends agreed that this was a great project to support as this benefited the whole school for maths week.

So we are in a good place to cover all 2017/18 requirements and to ask the school for any projects they would like us to help fund.

A final Thank You to all our sponsors, parents, teachers and children for providing funds, help and enjoying our fundraising activities, all of which go towards Stroud Green School pupils.

Lisa Streete
