

Dear Parents/Carers,

Another busy term draws to an end and we finish school today for our two week break – back on TUESDAY 17th APRIL at 8.50am prompt.

I wanted to take this opportunity to thank all of you for your continued support throughout the Spring Term. We had 98% attendance at parents evening which shows me that we have a strong partnership in working together to support the children. I do hope you have a restful and peaceful holiday and hope that the weather is warm enough for us all to get out and about in the Spring Sun.

Summer Term Home Learning Project Exhibition

As part of our Home Learning Policy we ask all parents/carers to make an artifact, model building or object which is linked to your child's topic and bring it to an end of term exhibition. These projects are an important part of the learning experience and are designed to give you a project at home where you can talk to your child about their learning, sitting and make something together – the speaking and listening element of this task alone is invaluable to your child's learning. It will hopefully enable them to talk about their learning and spend precious time with you doing something that is fun! Please note the date of your exhibition (final one of the Year) and get designing and making!

Year	Topic	Object to make	Date of Exhibition

**The Friends of Stroud Green Fundraising Event
Bingo and Curry Night
Friday 16 March 2018**

A big thank you to everyone who bought tickets for the Curry and Bingo night. It was a great evening, and we raised our target fundraising amount of **£500**.

The curry was delicious! Thank you to The School Kitchen who made a vegetarian curry and rice, to Natasha who made a spinach paneer, to Nancy (our Chair of Governors) for her dahl, to Colette for her dahl and butternut squash dish, to Louise who made a mince beef keema curry, to Nasra for her chana dahl, and to Jake for his legendary onion bargi's. Special thanks also to **Dhonia** on Tollington Park www.dhoniarestaurant.co.uk tel 020 7272 6900, for their generous contribution of poppadoms, breads and pickles.

Once everyone had got their free drink the bingo began. The numbers were expertly called by Ms Shaw, and there were great prizes on hand for the winners. Between the games cool sounds were provided by Alistair and Jake, the resident Stroud Green Primary School DJs.

The money raised will be used to pay for a skipping workshop for all the children in the nursery and school, and to buy skipping sets for the playgrounds. Skipping is a great activity for all ages, especially children. Skipping improves fitness, coordination, cooperation and behaviour. It is also great fun!

Thank you to everyone for their support.

**OUR TWO DAY SKIPPING WORKSHOP FOR THE WHOLE SCHOOL IS NOW BOOKED
FOR
THURSDAY 14TH AND FRIDAY 15TH JUNE**

**The Friends of Stroud Green Primary School AGM
Friday 16th March**

Thank you to all the parents who attended The Friends AGM. It was a good meeting, and you can find the minutes, the Chair's report, and the Treasurer's report on The Friends pages of the school website:
