Stroud Green News

Dear Parents/Carers

Welcome back to Summer term and the glorious summer sunshine at last! You may have noticed that in the last few warmer days we have put water out on the playgrounds at lunchtimes and put up some shelter from the sun. It would help on hot days if you could send your child to school with a drinking bottle (water only) and a sun hat as we have little shade in our playgrounds in the middle of the day.

I have updated the website so you can look up the significant dates on our calendar and also check our curriculum information on the class pages.

NUT FREE SCHOOL

We have a number of children with complex dietary allergies and for this reason we do NOT allow any food to be brought into school other than a piece of fruit for a snack at break times. If your child has a packed lunch we ask you to ensure there are nut based products in the lunchbox such as Nutella, nutty cereal bars etc.
Many thanks.

Paying School Fees

Please make sure you have paid for Breakfast, and After School Club fees in advance.

Lunch money for this half term will be £63.80.

REMINDER
Telephones in School

Only children in Year Six who come to school by themselves or go home by themselves should have mobile phones in school. We collect these in on the playground in the morning and give them back at the end of school. No children in other year group should ever have a mobile phone or device in school.

Reading Buddies

Massive thank you to those parents who have started our volunteer reading buddy scheme. If you have any regular free time and would like to register as one of our reading buddies please email Ms Shaw. We know regular reading with an adult can be like magic fairy dust to a child's reading, writing and spelling ability. We would love more help if you have time.
