Stroud Green News

Dear Families & Friends,

It's been an incredibly busy half term here in school and I would like to take this opportunity to thank all our amazing parents for your continued support. You really did a marvelous job with the home learning projects this half term and I saw some brilliant rockets, super tall plants, fantastic models of our school and so much more.... We hope you enjoyed the projects, they are designed as projects so that you and your child can work on them at home together, allowing invaluable time and space to chat and share ideas. There will be no more projects this academic year – but they will return in September!

We have had a busy couple of weeks across the whole school but I should make a special mention to those children in Year 2 and Year 6 who have completed their SATs. As ever, we are very proud of how hard the children have worked all year and on the day. We know they have done the very best they can and that they have done Stroud Green proud.

Also on the back of this newsletter you will find a copy of the new school dinner menu for the Summer Term.

I hope you have a wonderful half term break, enjoy some sunshine and share some great times with your children, back to school on Monday 4th June 2018 for the final half term of the year. Please check out the school calendar on our website for all the key dates.

Cal Shaw (Head Teacher)

At the end of this academic year Pauline McLoughlin will be leaving us. She has worked at Stroud Green for the last 25 years and is going to leave a big hole in our Early Years team. I am sure you will join me in thanking Pauline for all her years of support and dedication to our children at Stroud Green and wish her luck in the future.

One of the most popular stalls at our Summer Fair has always been the plant stall – does anyone have green fingers and fancy planting some seedlings now that could be strong healthy plants for the sale at summer fair?? Please email Ms Shaw if you can help
